7-in-1 Cable Travel Kit

Model
391900

Connect or recharge almost anything anywhere.

The MANHATTAN® 7-in-1 Cable Travel Kit includes a diverse range of cables to connect many popular mobile and networking devices with desktop or notebook computers. The multi-format cable set offers convenient connections and charging options for digital cameras, MP3 players, phones and other mobile USB devices. Two network/phone cables help get notebook computers online and a pair of audio cables keep media components connected for uninterrupted sound. Built-in, gold-plated connectors with retractable reels help eliminate cable tangles and unsightly clutter and avoid misplaced or lost adapters. Ideal for mobile computing, the lightweight, compact case with magnetic closure packs into any notebook computer case for convenient cable organization and storage
